Dear Judge Marrero:

We represent defendant Kenneth Carson, M.D., and write to respectfully submit the enclosed proposed Electronic Device Orders to bring Personal Electronic Devices and General Purpose Computing Devices into the Courthouse for use in connection with the trial scheduled in the above-referenced action. The first order lists attorneys for Dr. Carson, and the second lists our trial technician responsible for facilitating the electronic presentation of evidence. In order to minimize the amount of printed copies of documents required in the courtroom, we have prepared an electronic database of case materials accessible by laptop computer. In order to utilize these electronic materials, cellphones are required to provide the necessary security codes to access the database. We understand and will abide by the Court's prohibitions on the use of cellphones in the courtroom.

Respectfully submitted,

/s/ Scott D. Musoff
